

de la
TERRE™

Distinctly different from the rest:
ceramic cookware that does it all.

de la
TERRE™

Timeless Design
+
Everyday Versatility

Introducing De La Terre™ (*of the earth* in French), the only ceramic cookware line designed for performance in the oven, microwave, on the stove, and even on the grill! Each piece is thermal-shock-resistant so—unlike other brittle ceramic or heavy cast iron—our cookware is lightweight, durable, and goes from freezer to stovetop to dishwasher without concern.

Ceramic cookware that pairs a classically beautiful aesthetic with unmatched versatility and convenience for modern living.

SEARING

Confidently sear meat to lock in flavor before braising, then move same dish to the oven to streamline cooking.

PREP, CLEAN UP & STORAGE

Store food in fridge or freezer before or after cooking. Safely microwave leftovers, then dish can go right into the dishwasher.

FREEZER TO OVEN FLEXIBILITY

Prepare dishes in advance, and store in freezer until ready, then pop in oven to make dinner a cinch!

SAFE FOR ALL FOODS

Naturally nonstick without Teflon® or PTFE and safe for all types of food, regardless of acidity levels.

LIGHTWEIGHT AND EASY TO HANDLE

43% lighter than cast iron, heats up 4% faster, and retains heat 19% longer.
