***No Harsh Chemicals or Sticky Sprays***

**Not In My Backyard™** is a line of all-natural products that help ensure a pleasant and safe outdoor experience for the entire family. The NIMBY line includes wristbands, clips, zappers, candles, and diffusers. Many NIMBY products use proprietary bug-repelling inserts made up of 100% essential oils, including geraniol, eucalyptus, and lemongrass. Not In My Backyard is safe and effective for kids and adults. Say goodbye to harsh chemicals and sticky sprays, and get back to enjoying the great outdoors!

As experts in outdoor products for over thirty years, The Companion Group is expanding its focus on repelling any flying insects that might spoil the fun. By adding Not In My Backyard to our family of brands, we're bringing our experience in all things outdoors – including cooking, entertaining, and every kind of relaxing! – to the mosquito-repelling category. In so doing, we enhance every experience our customers already know we can provide. Our commitment to innovative but responsible products means that the NIMBY line is effective, safe, and perfect for anyone venturing outside.

# Handheld Zappers

Keep the bugs away from your next barbecue without resorting to unsafe insect sprays with this Travel Handheld Bug Zapper. This zapper kills insects on contact with a low-voltage electric current when they touch the surface of the "net." Handle collapses for convenient storage and travel. Uses two replaceable AA batteries; batteries not included.

## TRAVEL HANDHELD BUG ZAPPER

Color: dawn. Includes black fabric screen cover.

Folding Zapper..... NB0001
